With the reservation of carrying for production purposes and without advanced notices modifications on the materials, coverings and dimensions of the product as indicated in the relevant specification. The given dimensions and volume are of indicative value being subject to the production process tolerances. For normal use, the following maximum loads are recommended: Armchairs max. 120 kg, 2-seat sofas max. 200 kg (2x100 kg), 3-seat sofas max. 240 kg (3x80 kg). Use with loads exceeding the indicated values may cause the sofa/armchair or its components to break.
